

Wiping and Cleaning

The easy choice for the best result

Diverse tasks demand flexible solutions

We understand the high-tempo nature of working in a modern restaurant or catering facility. Wiping and cleaning tasks can involve anything from degreasing jobs, grills and working surfaces, to cleaning dining areas, service counters and other areas that guests and staff come in contact with.

Food processing/ Wiping/ Hand wiping

Tork Reflex™ Wiping System

- Reduces paper usage by up to 37%* compared to traditional centrefeed dispenser
- Ideal for use in food preparation area
- Avoids cross contamination as you touch only the paper used
- Food contact approved for wiping

* Statistic from internal research conducted over a 4 weeks period. Tork Reflex Wiping Paper Plus against freeflow Tork Wiping Paper Plus. Reduction calculated in square metres used.

Tork Foodservice Cloth

Tork Foodservice Cloths are colorcoded to help reduce the risk of cross contamination. These cloths are also designed for use with sanitizing agents. The cloth picks up dirt and absorbs spills effectively, is easy to rinse, dries quickly and is low linting, making it ideal for wiping, cleaning, degreasing and sanitizing in foodservice environments. This product contains 100% synthetic and virgin fibers.
